

KK114-7 Swivel Tee Galvanized Steel 1-1/4" IPS (1.72" ID)

10 and 114 Combination

360° swivel tee for stair railings.
This internal swivel connector eliminates
the need for specially drilled angle fittings.

An internal swivel fitting, designed to accommodate varying angles on handrailing for staircases, ramps, or bracing. Used in conjunction with KK10, KK15, KK25 or KK45, it eliminates the need for specially drilled angle fitting Type 27 and Type 28.
