

00-520/2 520 - Streamlined Bracket (Polished Brass)

The 520 wall mount handrail bracket is ideal for level and stair applications. It can be mounted horizontally at a landing or at the end of a ramp. It can also be mounted at an angle for stair or ramp applications. Each bracket includes two self-drilling screws used to connect to the handrail and three wood screws used for mounting to the wall. Mount the bracket to a stud in the wall.

Maximum center-to-center bracket spacing is 4 feet.

Consult local building codes for rail height, wall offset and other requirements.
