

**08600** 60 - Plug Sch. 40 (O.D. Fitting) (1-1/2" IPS)

Machined aluminum plug (end cap) that *pressure fits into schedule 40 pipe. The outside diameter of the plug covers the end of a fitting.* See below for different sizes that these end caps are available for and see picture of fitting inside pipe which is then lined up with the fitting.

**Note that the 2" IPS Plug has a different design than the others. See picture below.**

- Quick and easy way to assemble structural pipe systems
- Reduce labor costs by 70% • 100% reusable • No welding or threading • No drilling or bolting
