

40-813/2 Polished 304 Stainless Steel 2" Tubing 1/2" Glass

The 40-813/2 square glass grip is made of 304 grade stainless steel, has a polished finish, and has a curved back for mounting on 2" OD round tube. It comes with a rubber insert set designed to hold 1/2" thick panels. These glass grips also include a removable pin used to hold the panel in place.

Mount to tube (ex. a railing post) with a screw that will fit through the hole and is appropriate for the material it is being mounted on.

Material Care: Clean with stainless steel cleaner and protectant, item# CAE-ZClearnKIT.

Case Quantity = 12 pcs

Master Quantity = 48 pcs

Note: when working with tempered glass panels, holes must be drilled prior to tempering.

Consult local building codes for rail height, wall offset and other requirements.
