

49-WA102/2 316 Satin (Brushed) Stainless Steel Fascia Mount Dual Round Clamp 2" Tubing

Fascia mounting allows supporting posts or rails to be mounted to the sides of staircases or directly to walls. Our stylish fascia mounts are the perfect solution when either the situation, design or materials make it inaccessible for floor or surface mounting.

Tubing is inserted through dual round clamps which, when tightened with set screws, offer a secure connection.
