

00-540D/1 Polished Brass Domed Cover Flange 1" OD

Wall Flange with Decorative Cover.

Space-saving and concealed-mounting, this flange is ideal for partition posts and sneeze guards. It provides sophisticated details and easy maintenance in food service areas. Domed cover threads over a mounting flange, which secures tubing to the surface.

Item includes mounting screws (#8x1" wood screw) and a set screw (#8x1/2").
