

51DB-FBCC2 Fascia Bracket - Custom Corner - Textured Lakeside Copper

The fascia bracket for 2-1/2" square aluminum posts is made of aluminum and is designed to connect with GS635/36/F and GS635/42/F floor mount posts.

Mount the fascia bracket in the desired location and then mount the floor mount post on the matching square surface.

This bracket is available in three functional design styles

1. Center (Line) / End / Stair Fascia Bracket
2. 90 Degree Outside Corner Fascia Bracket
3. Custom Angle Corner Bracket

Each functional design style is available in three colors

1. Textured Black
2. Textured Lakeside Copper
3. White
