LB-00-506SET

SPEC-SHEET

LB-00-506SET Polished Brass Closet Flange Set 1-1/2" Tubing

The LB-00-506SET flange set is a set of flanges (one open flange, and one closed) available in a brass plated finish.

The flanges are designed to fit round tube with an outside diameter of 1-1/2 inches. See Brass tube item 00-A110.

The open and closed flange combination is makes an easy job of tube installation between two walls.
