TAW-1200-GR

SPEC-SHEET

TAW-1200-GR Tallman Double Closet Rod Lift Mechanism - (Gray)

TALLMAN

Innovative closet storing mechanism to hang clothes in high places, allowing for your closet space **to be utilized more efficiently.**

• New Shock Absorbing Mechanism:

Designed to soften sudden "pop-ups" even when rod is released halfway.
Allows the closet rod to stay at position when the rod is
pulled all the way down.

• Easy to use:

Easy to return the rod to its normal position.

• Simple to install:

Install mounting plate on the wall, fasten rod unit to the mounting plate with one hidden screw.

• Choose your size:

We offer single, double or a T-type to accommodate your space requirements.

- Easily access hanging clothes even at the top of the closet.
- Lift up - pull down closet rod mechanism creates more usable space at the top of the closet
- Lift mechanism assists in lifting the rod back into the upper position
- Designed for installation on side walls of a cabinet or closet
- Fits openings 31-1/2" to 46-1/2" W
- Load capacity 33 lbs.
