SPEC-SHEET

LB-26-E103/2030 Lido Designs® Extend & Lock Closet Rod. Wheel White-20"-30"

Extend & Lock Rods are the perfect solution anywhere you need an extra closet rod. No cutting is required! Just extend the rod to the desired length and twist to lock it into place. The concealed flanges provide a clean, contemporary look. Four sizes of rods accommodate spaces from 20 inches to a full ten feet. We recommend the use of a support bracket every 4 feet. All mounting hardware is included. This rod can hold approximately up to 50 lbs.

Gauge thickness is .030". Height of the end caps are 1.25" and width of end caps are the same as the tubing diameters, 1.16" and 1.00"

- Extends and locks to a variety of lengths
- Use with Lido Design shelf brackets SKU and closet flanges SKU
- 1" dia.
- All metal construction
- Scratch resistant finishes
- Stainless steel
- Added Value: Optional permanent mounting hardware included
- Lido Designs Hardware Closet Brochure

Simple to install

Simply install flanges at desired height, extend the rod to fit, then twist to lock securely into place.
