

30-A110 Solid Red Oak Wood Full Round 1-1/2" Diameter

- **Compare us to other suppliers. Our Wood is:**
 - - Solid Round Red Oak
 - - No Finger Joints or Glued Halves
 - - Free of knots
 - - Ready for stain

- **Note: this wood has an outside diameter of 1-1/2 inches and does not match the diameter of the wood line stainless fittings in 1.77 inch diameter. For 1.77 inch diameter fittings use wood options A134.**
