49-6920

SPEC-SHEET

49-6920 Easy Glass Rectangular Cap Rail in Satin Stainless Steel 316

49-6920 architectural rectangular channel tube is available in 316 grade stainless steel, has a width of 2.36", a height of 1.57", and is available in stock lengths up to 16 feet. Finish is satin (brushed).

This tube is commonly used as a cap rail (top rail) on glass.

Hardware Included:
No hardware is included with this item.

Material Care:
Maintain a polished finish with metal polish, item# 00202. Apply with a soft, damp cloth.

Related Items:
Use adhesive, item# LB-00201 together with activator, item# 00211 to connect tube to fittings.

Shipping:
Lengths up to 8 feet can ship by UPS.
Lengths longer than 8 feet ship by LTL freight (truck).

The shipping cost for items 8 feet (96 inches) and over is notably higher because of freight carrier surcharges. To avoid this additional expense we ask that you consider ordering a shorter length, if possible. We can provide custom cut lengths just below 8 feet. Contact us for details.
