ARCHITECTURAL & INDUSTRIAL RAILINGS

00-812/1H

SPEC-SHEET

00-812/1H Polished Brass Glass Clip 1/4" Glass 1-1/2" OD

Our solid brass handraill glass clips are used to create booth dividers and guard rails.

Glass Grip is perfect for all guard rail and booth divider applications.

Note: When using tempered glass, holes must be drilled prior to tempering.
