49-170/60/F/E

SPEC-SHEET

49-170/60/F/E 60"H x 2" Square Floor Mount End Post in 316 Satin Stainless Steel

The 60" high floor mount partition post is made of 2" square tube and 316 grade satin (brushed) stainless steel. This end post comes with a flange welded at the bottom, a flange canopy, two glass grips attached to the post and a flush end cap on the top.

Material Care: Clean with stainless steel cleaner and protectant, item# CAE-ZCleankIT.

Related Items: Use the 60" high posts in combination with panels designed for a 60" height.

80-A4860/4 - 48" wide panel - clear
80-A6060/4 - 60" wide panel - clear
84-A4860/4 - 48" wide panel - single side frosted
84-A6060/4 - 60" wide panel - single side frosted

Use the 60" high posts in combination with gates designed for a 60" height.

This post together with panels and/or gates is ideal for cordoning off a variety of areas including

- Restaurant patios
- Retail entrances or gate areas
- Security inspection spaces
- Queue lines

Acrylic panels are available in clear and frosted finishes thus offering transparent and semi-private solutions.

This product is NOT designed as a code-complaint railing solution. Consult local building codes for partition height, wall offset and other requirements.
